Forecast for Wednesday 03 Jan 2024

Weather: Through the morning there will be showers moving across Snowdonia, these will all be rain, perhaps turning wintry later in the evening on Snowdon/Yr Wyddfa. Away from the showers it will be mostly cloudy but some bright or sunny spells during the afternoon in the east.

Chance of cloud-free hill tops above 800m: 30% becoming 60%, low cloud forming around the summits in showers.

Low Cloud and visibility: A cloudy day but a few more breaks in the afternoon in the northeast. Broken cloud layers above 500m in the morning, these becoming more scattered or patchy during the afternoon and the bases lifting above 600m. Some summits clearing during the afternoon. Visibility will be moderate in the morning and poor or very poor in mist and fog patches, some good visibility in the afternoon but turning poor again in the evening.
